FIFTEEN CENTS

HIGH HOPES — Antioch coaches Ted DeRousse, background, and Rich Brown react to Sequoit gain as team marched to victory. Antioch eliminated Jacobs Golden Eagles in quarterfinal play Saturday. Sequoits, 8-3 on the season, will face Wheaton North, Saturday in semi-final play.

Sequoits face close match in game against Wheaton

The Sequoits varsity football team faces a deciding game in state semi-final playoffs this weekend against Wheaton-North at 1:30 p.m. Saturday, Nov. 17 in Wheaton.

Antioch is competing in the Illinois High School Assn. Class 4A contest, having beaten Rockford-Boylan 14-7 and Algonquin Jacobs 35-12 last week.

Antioch Coach Steve Wapon described the Wheaton competition as well-balanced, with a very strong running game and good quick running backs.

THE FALCON'S are well-coached and have an extra quick defense, he added.

"It should be one whale of a ballgame," Wapon said. The winner will go to Bloomington to play in the state championship. It promises to be "the biggest ballgame of the year for both teams," he added.

The Sequoits have won seven consecutive games and need to win two more to become the state champions.

Tickets to the Wheaton game will be sold from 8 a.m.-4 p.m. Wednesday, Thursday and Friday, Nov. 14-16, in the Antioch Community High School Commons.

Tickets are \$2 for adults and \$1 for students.

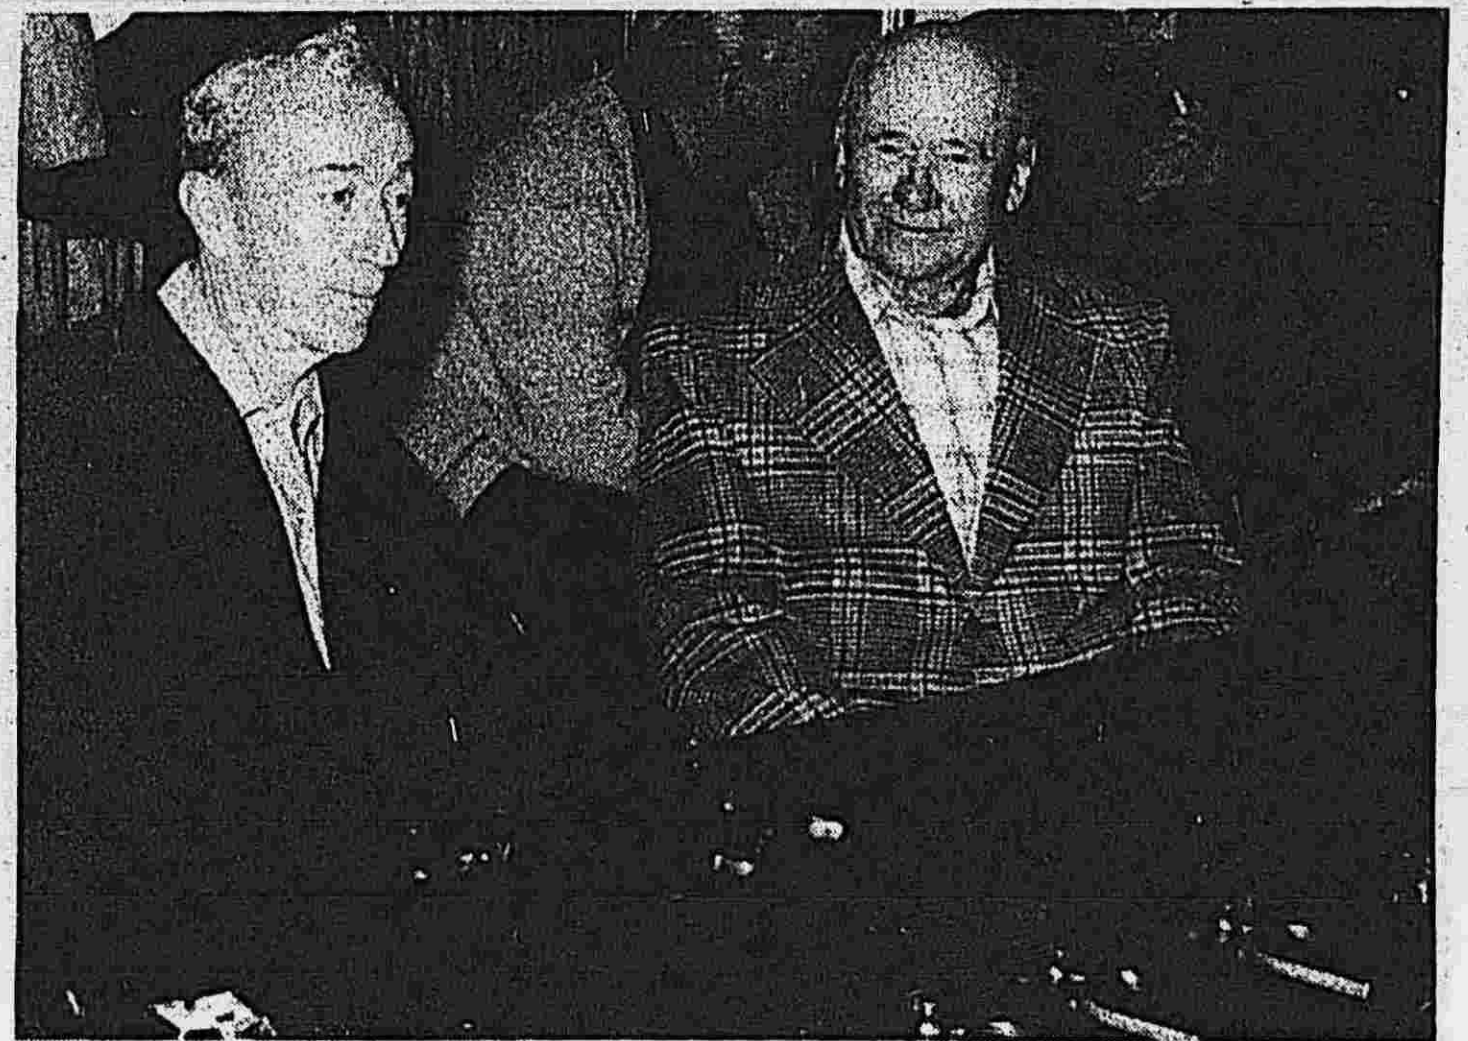

BUSES WILL BE leaving the high school between 11:45 a.m. and noon. Sign-up for buses will also be held in the commons. The cost is 50 cents.

Residents wishing to drive to the game should take Rte. 59 south to North Ave., continuing east along Rte. 64 to the second stop light. Then to Gary's St., making a left turn on Thomas St., continuing south to 701 W. Thomas, the address of the high school.

Maps will be available in the high school commons.

Eight spectator buses attended the Rockford-Boylan game, tying a school record, Wapon reported.

"We'd sure like to break it this weekend," he added.

United Methodist Church centennial services listed

The United Methodist Church of Antioch will be celebrating its 100th anniversary with special services Sunday, Nov. 18.

The public is invited to share in the jubilee.

Worship will begin at 8:30 a.m. with a morning service, at which the Sacrament of Holy Communion will be served. Stephen Williams, pastor of the church, will preside, with Mabel Lou Weber at the organ.

A children's choir, under the direction of Mary Kay Giebalhaus, will sing at the early service. Susan Turner will accompany on the piano.

The church school service will begin at 9:15 a.m., featuring a special program reviewing the church history in skit and song. Church School Supt. Flora Mitchell will lead the Sunday school performance.

At the 10:30 a.m. morning worship service, Bishop Paul Washburn, District Supt. Robert Schumm and the Rev. Williams will speak.

Choir Director Ken Smouse will present the sanctuary choir, with Mrs. Weber at the organ.

A centennial dinner will be held at 12:30 p.m. Dr. W.C. Petty will be the master of ceremonies, with a program by the Antioch Community High School Swing Choir under the direction of Ralph Brooke.

Recollections by former pastors and members will be heard.

The day of services will conclude with a 3 p.m. mini concert of anthems and hymns, both old and new.

Paul Cramer will be the featured organist. Soloists will be Stuart Good, Mary Chris La Kome, Ken Smouse and Lynne Nowak. Cramer will also solo.

Thanksgiving mail schedule announced

The Antioch Post Office will operate on a holiday mail schedule Thursday, Nov. 22 in observance of Thanksgiving Day.

Officer-in-charge Phillip Kaplan said there will be no regular residential mail or business deliveries and normal lobby window services will be closed.

Certain expedited mail delivery services will continue during the day. These include special delivery and express mail.

Mailers should call the Post Office at 395-0097 for information about rates and holiday schedules.

Thanksgiving Day mail pick-ups from

collection boxes will be on holiday schedules, as posted on the individual boxes, or determined by calling the post office.

Normal mail service will resume Friday, Nov. 23.

TO OBSERVE REGULAR DEADLINES

Regular deadlines will prevail for The Antioch News Thanksgiving edition Wednesday, Nov. 21.

Newsstand copies and mail copies will be delivered Wednesday.

PTFK to present users are losers

Corporal Thomas Gardner of the Lake County Sheriff's Dept. will be at Oakland Grade School at 7:30 p.m. Tuesday, Nov. 27, to give a talk on drugs.

In an effort to reverse the trend of drug abuse by young people, Oakland's PTFK hopes to direct their attention to intelligent decisions and a healthy respect for their physical and mental well being.

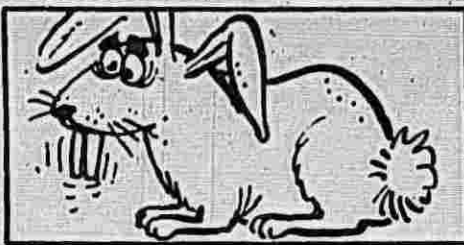

Parents are requested not to miss this meeting and are encouraged to bring their children, fourth grade and older.

The program will present a guideline in raising a child to avoid drug abuse, symptoms that indicate abuse and detailed information on many of the more common types of drugs.

After Corporal Gardner's presentation there will be a

panel for questions and answers consisting of Corporal Gardner; all grade school district principals, Mr. Hain, Mr. Ware, Mr. Soderman and Mr. Herbst; Supt. Dr. Donald Skidmore and Antioch High School Principal Arthur Blecke.

Oakland Grade School is located at the corners of Deep Lake and Grass Lake Rds.

Feeder route cut by RTA

The Regional Transportation Authority feeder route, which connects Antioch, Loon Lake and Ingleside with Fox Lake, will be eliminated some time after the first of the year.

It was among five suburban bus routes which the RTA has voted to cut, along with 51 others which will be modified. The RTA is making the changes to save \$468,000.

AGHS tells services

Parents with students at Antioch Community High School are reminded that it offers a full range of special education services, as required, to meet the educational needs of each student.

In general, special education services are provided through the Special Education District of Lake

County, known as SEDOL.

Inquiries about services may be made to a student's counselor who will conduct the necessary review of records with the staff and other relevant resources. The counselor and the parents will maintain close contact with each other on the progress of the review.

Shipley indicted for fraud

Albert R. Shipley, of Antioch, was one of two men indicted by a federal grand jury on charges they rigged bids, arranged kickbacks and received fraudulent payments through the mail in connection with the construction of the \$600 million power plant in Kenosha County.

Shipley and William W. Segiet, 42, of Hickory Hills, are now facing trial in a federal court in Milwaukee.

They could receive a sentence up to 25 years in jail, a \$14,000 fine, or both, if found guilty.

Churches to give thanks

An ecumenical Thanksgiving Eve Service featuring banners from each congregation will be held at 7:30 p.m. Nov. 21 at the Antioch Community High School Auditorium.

Choir practice for anyone interested in singing in the combined ecumenical choir will begin at 6 p.m. Nov. 21, also in the auditorium.

Two special offerings will be taken at the service. Gifts of canned goods or food will be accepted for the local food pantry and an offering will be taken in behalf of famine stricken Cambodians, who are in need of food and medical supplies. The American Friends Service Committee is the sponsor of the latter.

About 12 congregations will be represented at the service, which will feature messages by a number of pastors.

Memory Lane

Deuster to run again

State Rep. Donald E. Deuster (R-Mundelein) has announced his decision to seek re-election to a fifth term in the Illinois House of Representatives.

Deuster, 50, an attorney, was first elected to the Illinois General Assembly in 1972 following ten years of legislative service on Capitol

Hill in Washington, D.C., where he was administrative assistant to U.S. Congressman Robert McClory.

After the election of President Nixon in 1968, Deuster was appointed congressional relations officer in the U.S. Dept. of Transportation. He guided through Congress the act creating Amtrak to save the vanishing American passenger train.

During the recent 1979 Session at Springfield, Deuster successfully sponsored twelve reforms of Illinois law, including restoration of the drinking age back to twenty-one years and reduction of the Illinois sales tax on food and medicine.

Letter To The Editor

Editor,
In your newspaper dated Nov. 7, in the letter to the editor column, an article about a bash being held at our new fire safety building appeared, and that is why, we, the Antioch Volunteer Firefighter's Assn. choose to tell our side if the event.

It is an established tradition that in the fall of each year, the association holds what we call 'Old Timers Night.' This evening is held to invite retired members of the Antioch Fire Department back for an evening of fellowship with current members included. We show the old-timers any new equipment we have obtained in the previous year.

This year we also invited a few firemen from area communities, with which we have mutual aid agreements. We might add that this event is sponsored by the Antioch Volunteer Firefighters Assn., not by the village or

the fire district. The only people, other than firemen, that were invited to this event were the mayor, the village trustees, the fire district trustees and the fire district's attorney.

Since this event was sponsored by the Firemen's Assn. for fellow firemen, we do not feel that we showed any deceit or deception to anyone by not inviting them to this event.

When the fire safety building is completed and we have moved in, we are sure that the village and the fire district will hold an open house so that everyone in the village and fire district will be able to see the building that was built through the referendum the townspeople approved.

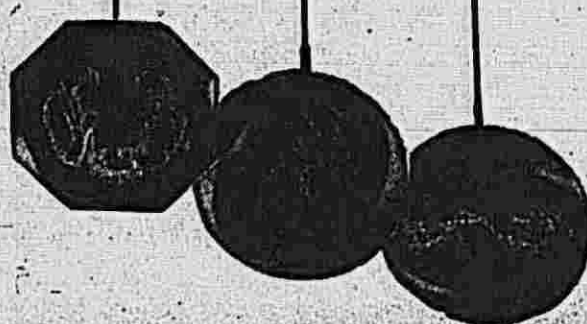

Also, after we have moved into the building we hope that anyone that would like to look at the building or the equipment will stop in at any time.

Sequoits fight to finish state football tourney

Despite a slow start in the football season, the Sequoits came to a fighting finish in their trail to history — from losing three early season games to representing the Northwest Suburban Conference (NWSC) in the state tournament.

The team began its season with a loss to Crystal Lake Central, 23-7. "Penalties of enthusiasm" hurt the team, said Coach Steve Wapon.

"Some big problems" were evident in the Sequoits' next match, in which Woodstock beat Antioch 20-0.

THE SEQUOITS had some defensive trouble, causing the Blue Streaks "to run up a lot of yardage because we couldn't stop them outside," Wapon commented.

Antioch came through in its third game, whipping Warren 14-10.

According to Warren Head Coach Mike Kunkle, the Blue Devils "played well enough to win, but there were crucial mistakes, such as 100 yards in penalties that hurt us," he said.

A "good solid defensive effort" put the Sequoits ahead, said Antioch Defensive Coordinator Ted DeRousse.

ALTHOUGH ANTIOCH

lost its next game to Lake Zurich 13-7, the pass defense performance was improving, noted Wapon. The team gave up several short throws, but only one long one, he added.

The game "was decided on the ground," the coach said. "They beat us on the line and in intensity."

The Sequoits were back on the winning track, defeating Stevenson 28-20 with two fourth quarter touchdowns.

"OFFENSIVELY, WE had the ability to control the ball," Wapon said.

"Three of our touchdowns followed long drives which had minimal mistakes," he added. "The interior line did an excellent job blocking."

DeRousse recognized the defense for being "very strong against the run."

Antioch's homecoming game tied it for first with Warren and Lake Zurich in the NWSC, defeating Grayslake 49-0.

"THE KIDS WERE all charged up for homecoming," the coach said. "Everyone played and everyone played well. It was truly a team victory."

In a 24-6 win over Wauconda, Dan Behne broke his own school record for point after touchdown kicks in a season. He set the record of 15 last year and broke it during the Wauconda game, during which he totaled 18.

Antioch Backfield Coach Rich Brown credited the interior line for its good blocking and DeRousse added that "the entire defense played a fine ballgame."

The Sequoits' 34-12 win over Round Lake tied Antioch with Warren for first in

the NWSC and brought the team one victory away from the Illinois High School Assn. playoffs.

The offensive line was once again recognized for playing well against a tough Round Lake defensive line.

ANTIOCH HELD the Panthers two times from the two yard line during the third quarter.

The Sequoits and Warren became co-champions of the NWSC with the Sequoits' win over Grant, 28-6.

Both teams finished 6-1 in the conference, but the Sequoits represented the league in state playoffs because it won the meeting between the two teams.

Antioch's offense controlled the game, backed by a "good, solid defense" after the first quarter, Wapon reported.

Antioch won seven games in a row and will have to complete nine straight wins to take the state championship.

Church of Christ to give thanks

A verse from First Thessalonians — "In every thing give thanks: for this is the will of God in Christ Jesus concerning you" — is the opening text of a special Thanksgiving service at First Church of Christ, Scientist in Antioch.

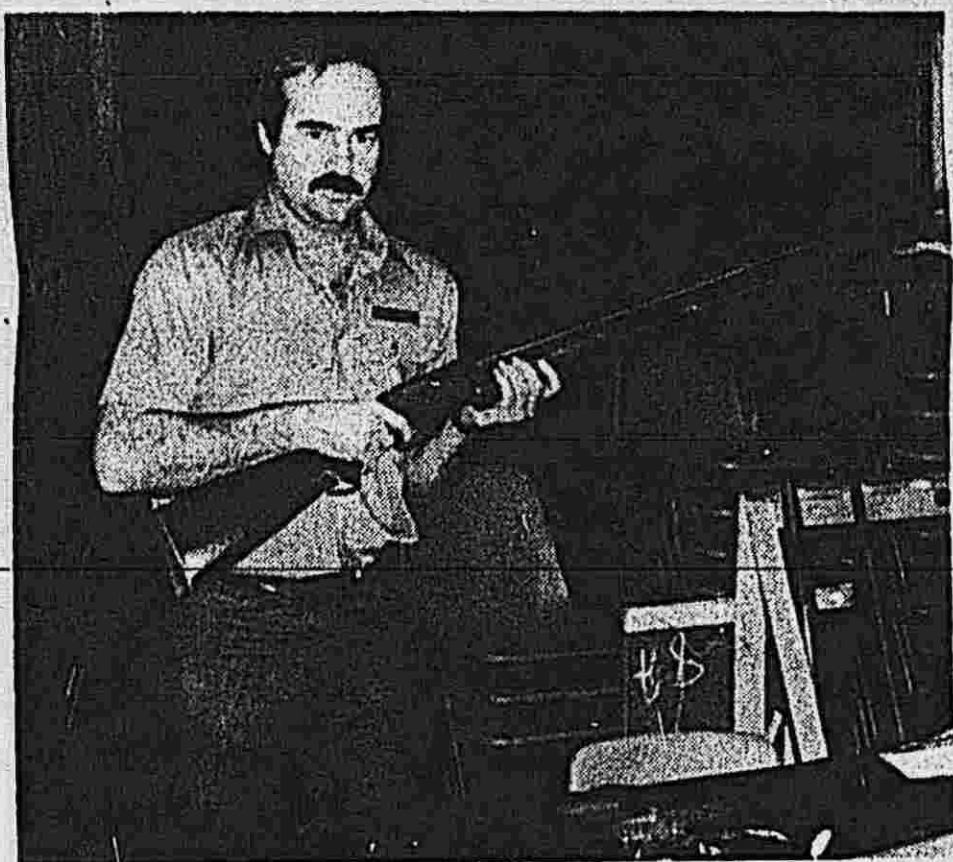

The hour-long annual service will be held Nov. 22 beginning at 11 a.m.

Scriptural passages chosen for the occasion point to God's abundant goodness and healing power.

Related passages from

"Science and Health with Key to the Scriptures" by Mary Baker Eddy will also be read.

All are welcome, and care will be provided for very young children.

Township discusses convention

The Antioch Township Board paid bills and discussed the state-wide township convention held in Peoria.

"I got more out of it this year than any of the other times I attended," said Trustee Dave Heath. "I think it was very worth while."

"I learned to appreciate our township" when township representatives from other areas were asking how they could prohibit a township official from excessive spending, he reported.

There has always been a good rapport among Antioch Township officials, said Blaine Ring, township road commissioner.

The board approved payment of bills for the month of October. Items included road and bridge, black top, town fund, general assistance and retirement fund payments.

Fill is now being hauled in preparation for building a new bridge on Ackerman Rd., Ring reported.

Seek variance

The Antioch Village Board in committee decided to recommend that a variance on the village sign ordinance be approved for a sign to be erected at Poe & Poe Realtors at the next meeting of the board.

The sign of the business, located at 505 Orchard St., is presently on the front of the building and blocked by two large trees on both sides, said a representative for the Realtor.

The business has "received a number of complaints from customers, especially those from out of town," he added.

The representative said he could see two or three signs from the front window that do not conform to the sign ordinance.

Trustee William Seemann opposed the recommendation, saying that the village should follow the sign ordinance.

Also opposed was Trustee Donald Amundsen. He described it as "a step beyond" a variation the board previously approved for a wooden sign illuminated by spotlights.

The internally illuminated sign is "brighter, more obvious, and one more step moving toward a forest of brightly lit signs in the village," he added.

Trustee Edgar Simonsen favored the recommendation, saying that the location is "becoming a business neighborhood."

E. Simonsen honored at Old Timer's Night

The Antioch Firefighter's Assn. held its annual Old Timer's Night Dinner for all past and present firefighters Oct. 30 at the new fire safety building.

John L. Horan, one of the association's charter members and three of the group's newest members were present. New members are Jim Cole, Bill Vermillion and Doug Lindom.

Others present were members of the village board and fire district.

Fire departments from the surrounding area were invited for dinner and to look at the new building.

The highlight of the evening was an announcement by Ray Atwood that the new fire safety

building would be named after former Fire Chief Edgar Simonsen.

A plaque in his honor will be on the new building for its dedication, which is expected later this month.

A kitchen crew consisting of John D. Horan, Hugo Holbek, George Boyd and Dennis Harton made sure the food was hot.

The guitar was introduced into Spain by the Moors.

'As You Like It' to open at ACHS

"All the world's a stage and all the people merely players..." Everyone has heard these famous words from Shakespeare and now is your chance to see the play.

The drama division of the Fine Arts Dept. of Antioch High School will be presenting "As You Like It" this coming Thursday, Friday

and Saturday in the school auditorium.

Curtain time for Thursday's performance is 7:30 p.m. Curtain time for Friday and Saturday night is 8 p.m.

The cast of thirty young people is doing an outstanding job on this very ambitious undertaking, a spokesman said.

Along the way with ANNIE MAE

It was awfully chilly Saturday, but practically everyone in town made it out to the Sequoit-Jacobs Football game. Let's hear it for our team!

The young men played a fine game, according to our football experts here in the News office and I thoroughly enjoyed myself.

And did you see the parades that sent off the team to its Rockford game and welcomed it back?

Fire engines, rescue squads, the village crewmen and yes, Walt Shepard even brought the front-end loader, but it went too slow to be included in the parade. Now that's Spirit.

Let's show 'em, Sequoits.

Heard Marge Poulos enjoyed a fine birthday celebration at the Vault Restaurant. Marge, who was Nov. 8, was surprised with a cake from her friends.

Pete Cleven Jr. celebrated his 16th birthday also Nov. 8. Belated wishes, Pete.

Dixie Sparks told me about a celebration in her family. Daughter Karla birthday number 18 also on Nov. 8.

Congratulations to Florence and Otto Hanke who will be celebrating their 40th wedding anniversary Nov. 13.

Paul and Patricia Martin celebrated their 20th wedding anniversary Nov. 7th. Best wishes.

Opening night is Nov. 17 for 'The Miracle Worker'

READY TO OPEN—George Blanksten as the doctor and Frank Greenwood as Capt. Keller, go through final rehearsals in preparation for opening of PM&L Theatre's "The Miracle Worker" Saturday, Nov. 17, at the theater, 877 Main St., Antioch.—Photo By Charlie Rucks.

The PM&L Theater, 877 Main St., is being readied for the opening this Saturday night, Nov. 17, of William Gibson's exciting drama, "The Miracle Worker."

Four following performances will also be held on Friday and Saturday nights, Nov. 23, 24 and 30 and Dec. 1.

Curtain time for all of these shows is 8:30 p.m., and you should be sure to call 395-3055 to make reservations to see this absorbing play.

The cast features Debbie Beno of Wildwood as Helen Keller, the blind deaf-mute and Lyn Kessie of Richmond as Annie Sullivan, the miracle-working teacher who was able to bring Helen into dramatic communication with the people of the world around her. Audiences cannot fail to be impressed by the sensitivity and understanding with which these players deal with the gripping struggle to achieve this communication.

Some of the cast members have been especially involved with people having Helen Keller's handicap. Debbie Beno, for example, has been close to deaf and blind persons. She intimately observed the assistance and treatment made available to them by the Lake County Special Education Dept., which at one point offered Debbie a position as an aide.

She also, in preparing for her role as Helen, observed the work at the Hadley School for the Blind in Winnetka. Such experiences have brought authenticity to the finger alphabet for the deaf and other measures used by "The Miracle Worker."

The PM&L production is directed by Pam Hunley, who is well-known to Antioch playgoers.

The cast also includes Ann Marie Cina of McHenry; Frank Greenwood, Round Lake; Michael Mitchell, Pleasant Prairie; Priscilla

Signs

AQUARIUS

(January 20 - February 18) Quick, intuitive decisions are your strong point, and these could settle disputes or solve work matters effectively.

PISCES

(February 19 - March 20) Follow your intuition and take a gamble on your talents or unusual ideas when the chance arrives.

ARIES

(March 21 - April 21) You take the lead on joint or group projects and everything meshes beautifully. Show them what you are capable of doing.

TAURUS

(April 22 - May 21) Flow with changes in plans, and let others take the spotlight. Envy and obstinacy on your part could work against you.

GEMINI

(May 22 - June 21) You can feel it in the air—a positive turn in all affairs. It may not be tangible, it may take a while to arrive, but it's real. Rejoice!

CANCER

(June 22 - July 23) Perhaps it's wisest to build on what you've already secured, rather than strike out now for an ill-considered goal.

LEO

(July 24 - August 23) Work alone to finish up old business, away from the envy, rivalry or complexities of others.

VIRGO

(August 24 - September 23) Inventive and exciting ideas release much mental creativity at work. Interesting connections can be made.

LIBRA

(September 24 - October 22) Sparks may still be flying in all directions, as testy challenges flare up over money and emotions.

SCORPIO

(October 23 - November 22) Advanced concepts connected with money and work need additional information, which can be obtained by phone calls to the right contacts.

SAGITTARIUS

(November 23 - December 22) Curiosity could lead to unusual ideas or financial discussions which are remarkably favorable. But keep controversial possibilities under wraps.

CAPRICORN

(December 23 - January 19) Partners and close ties are emphasized now, and delicate issues demand cooperation and empathy.

Six seek seats on Chamber board

The Nominating Committee of the Antioch Chamber of Commerce and Industry announce six nominations for the Chamber Board of Directors.

Three directors are to be elected, each for a three year term, beginning in January, 1980.

Seeking the positions are Peter Clevon, First National

Bank of Antioch; Sharon Simon, The Shoe Box; Jim Mirek, Sunrise Corp.; Dan Dreyer, Awards by Kaydan; Bruce Jablonski, Erickson's Sewing Center and Phil Adesko, Adesko Electric.

Chamber members may cast their votes by returning ballots to the Chamber office by Nov. 20.

Sequoit families inspire their sons

"If I could decorate the whole town, I would."

That seems to be the prevailing attitude of excitement in families with members on the Antioch Community High School's varsity football team.

Gerry Andre, in whose driveway stands a four by eight foot Sequoit Power sign as well as several smaller signs in the windows of her home, is very excited about the enthusiasm in town.

"Hopefully, it gives them a little more steam," she said. The organization of football mothers have "spent a lot of time making posters and banners," she said. "It helps — I really got a kick out of that."

MRS. ANDRE and her husband Dennis hosted a party for the football players and cheerleaders at their home following the second state tournament game against Algonquin's Jacobs Saturday. The mothers of football players prepared food for the event.

She expected a few relatives from Crystal Lake to attend the games and her husband Dennis took off work on Wednesday "as did a lot of people" to see his son Jeff play against Rockford-Boylan at Rockford.

It was the first time in the history of ACHS that a football team has gone to the state tournament.

"It's really exciting," said Jackie Flaschner, speaking of the activities around her home since the Sequoits have been in the tournament.

The Flaschners expected about 10 relatives to visit to

see their son Denis play in the big games.

ALTHOUGH MOST of the families interviewed said their sons were so excited they weren't eating very much, Mrs. Flaschner was planning on serving Denis "a big steak the night before the game."

The Domkowski family went to the Rockford-Boylan game in a motor home with friends, said Elsie Domkowski, the mother of twin sons Jim and John, both on the varsity squad.

"We're all very excited," she said. "As a family, we're hoping they would win. We're very enthused."

Like many families, the Domkowskis anticipated that relatives would come from out of town to watch the Sequoits play.

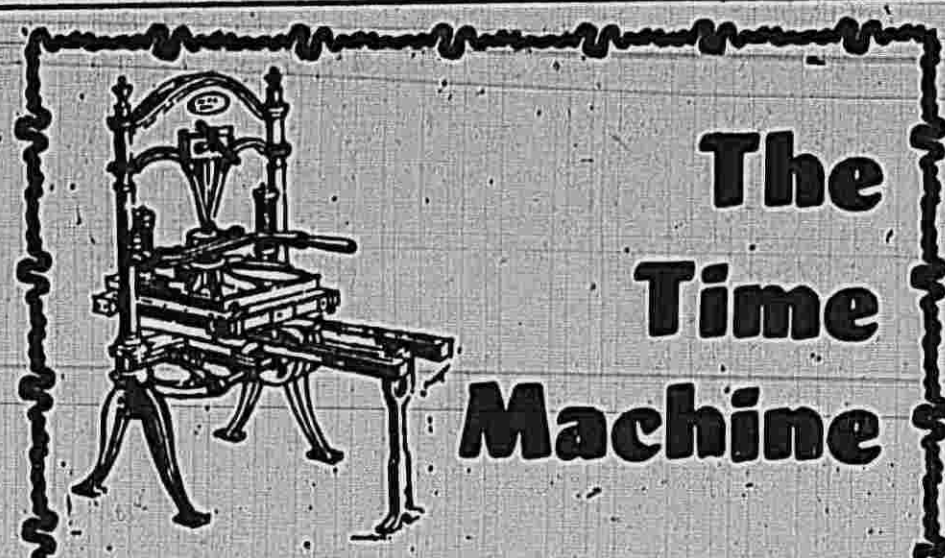

THE DOMKOWSKIS already has plans to go downstate, she said.

The Bogaerts family was expecting relatives from Illinois and Wisconsin to attend the state tournament games, said Glenda Bogaerts.

"We're all just really really so thrilled they got in the playoffs," she said. Her son Chuck is a member of the team.

Besides relatives, Mrs. Bogaerts said she expected "a lot of fans from all over Lake County" to attend the games.

Although her husband couldn't get off from work to see the Rockford game, Chuck's brother Dave was able to get a free day to share in his brother's excitement, she said.

A sudden squall came up and their boat sank. As it came up overturned, Borovicka was able to grab hold of it, but Van Patten was too far away.

When the wind died down, Borovicka called for help and got it from some unidentified hunters. They tied the gist to their boat fearing that they too, would be swamped and took him ashore.

In the meantime they saw Van Patten approaching land. The stay in the icy waters was so severe to Van Patten that members of the Antioch Rescue Squad gave him first aid and took him home. On Monday the two were back at the lake again, but this time it was to look for their guns and hunting supplies.

Science curriculum review receives top priority for year

A review of the Antioch grade school science curriculum will be the number one priority for the 1980-81 school year.

The Antioch Grade School Board voted to select a committee for the review. Harley Ware and Bill Herbst have agreed to chair the committee of no more than five teachers.

A stipend of \$100 will be awarded to committee members.

"Due to the quality work of various curriculum committees during the past two years, most of our curriculum is in decent shape," Skidmore wrote in his superintendent's notes for the meeting.

"The one curricula that is due for review and revision is science, particularly at the elementary level," he continued.

The board also appointed a committee to discuss building a new school bus garage or a storage building.

"The discussion has

always hinged upon making the existing garage into a storage building and vacating the old downtown (Lower Grade) school," which is used for storage, Skidmore wrote.

"The obvious question is one of where do we move the

bus garage and/or do we build another storage building, keeping the garage where it is currently," according to Skidmore.

The long range intent is to free the old school building so it can be used by the historical society as a

museum, he said.

A new health insurance plan was adopted by the grade school board.

Blue Cross and Blue Shield is the major medical and life insurance plan which will replace the present plan, Skidmore reported.

It will go into effect with the expiration of the current plan Dec. 13.

The employment of Barbara Carey was approved by the board. She will work as a teacher aide at Oakland School.

She received her bachelor

of science degree at Eastern Michigan University.

All grade school board members will attend the Illinois Assn. of School Boards convention in Chicago Nov. 17 and 18. Ron Chilcote, grade school business manager, will also attend.

Names in the NEWS

Gina M. Teresi, of Antioch, will be listed in the 1979-80 edition of Who's Who Among Students in American Universities and Colleges.

A senior management major, she is among 47 Western Illinois University students receiving the honor.

Students were selected as being among the country's outstanding campus leaders by a campus nominating committee and editors of the annual directory.

Recognition is based on leadership in extracurricular activities, future potential, service and academic achievement.

They join an elite group of students selected from more than 1,200 institutions of higher education in the United States and several foreign nations.

List honor students

The following students have attained honor roll status for the first nine week grading period at Emmons Grade School.

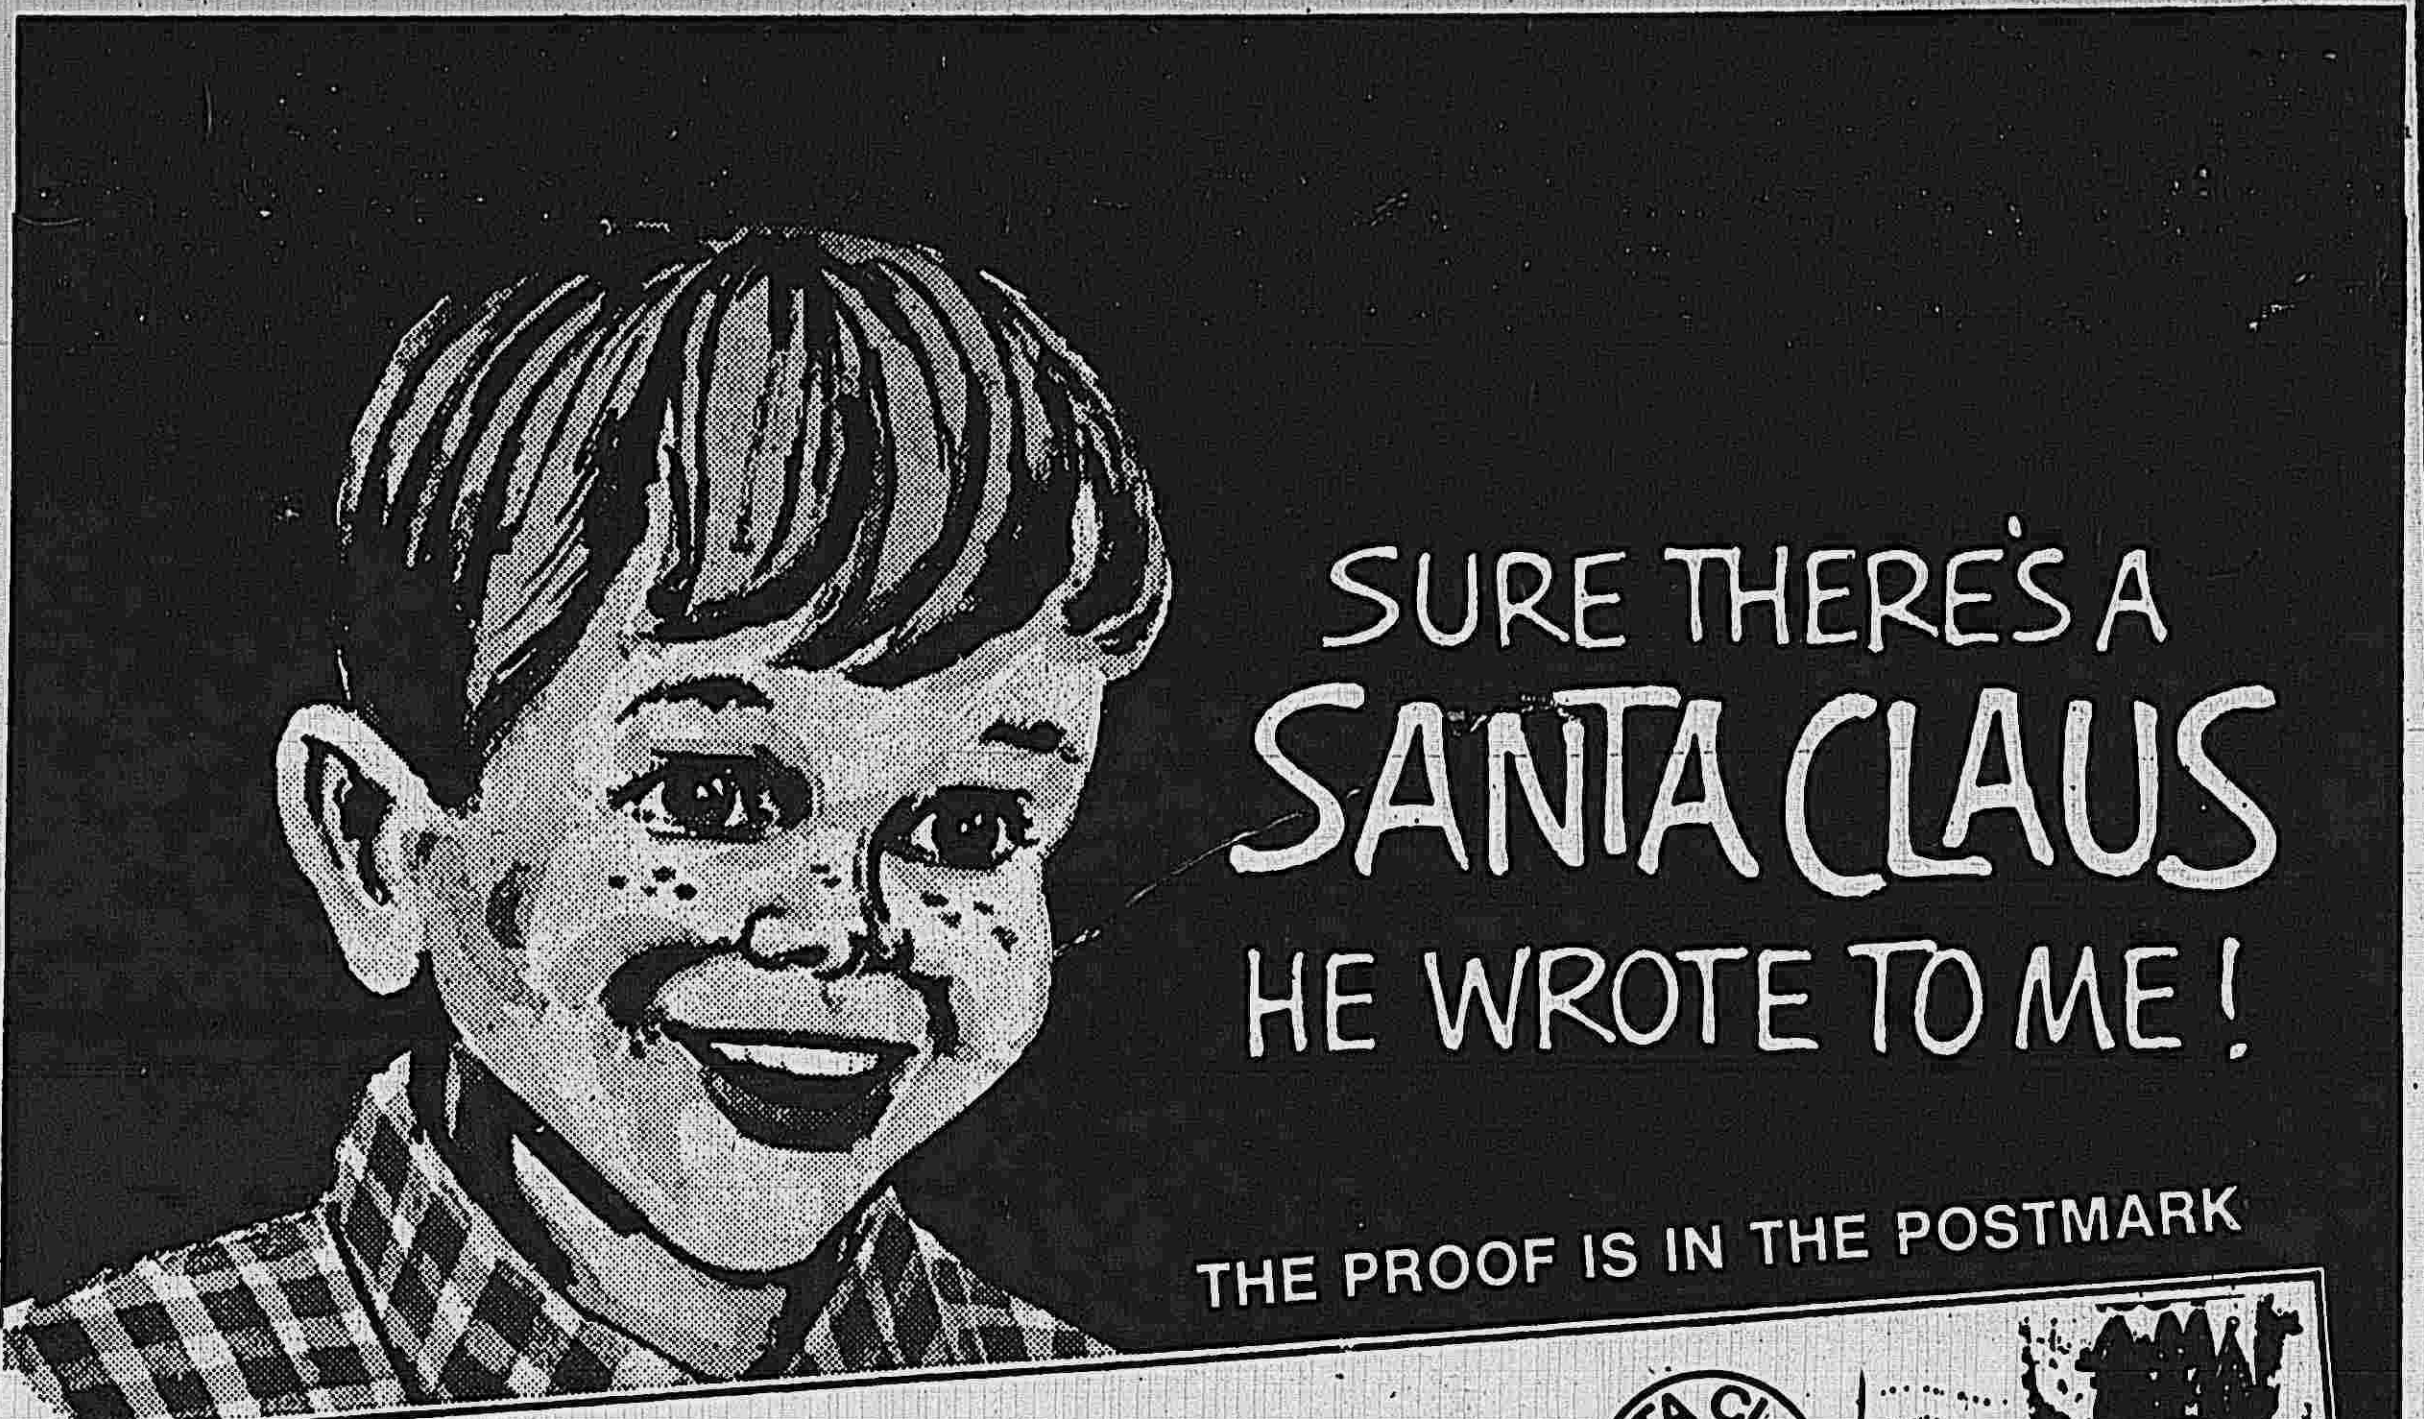

Eighth grade honor students are: Bryan Becker, Clay Hamlin, Kendall Kirkpatrick, Edward Kuligowski, Julie Merlo, Steve Mueller, Kelly Shanley, Rod Skiskal and Kim Worthington.

Sixth grade honor roll students are: Beth Dubek and Stan Kuligowski.

In order to be on the honor roll, a student must have at least two A's and two B's or 3 A's and one C in the four academic subjects. In character traits, no grade of "U" will be allowed for the honor roll. In order to receive a year-end award, a student must be on the honor roll three times.

Antioch Grade School Board approves complete creek study

The Antioch Grade School Board approved spending \$4,300 for a complete study of the impact of the proposed channelization of Sequoit Creek on school property.

Harza Engineering, the Chicago firm hired by the board, will review all existing data and complete some of its own original engineering as the basis for issuing a report, which is expected in about five weeks.

The firm was hired to determine if the proposed channelization would have any negative impact upon the on school property.

In October, the grade school district filed a request with the Illinois Dept. of Transportation to delay issuing a permit to the village for the chan-

nelization.

The village has proposed channelization to help

alleviate some of the flooding problems along the creek.

Coroner Babcox to seek re-election

Robert H. (Mickey) Babcox, Coroner of Lake County, announced his re-election candidacy for the Republican nomination for the office of coroner in the primary election to be held March 18, 1980.

Babcox, a long-term republican officeholder, has served as Lake County coroner for a total of four terms — beginning in 1952 and serving until 1964 and being re-elected to the office in 1976.

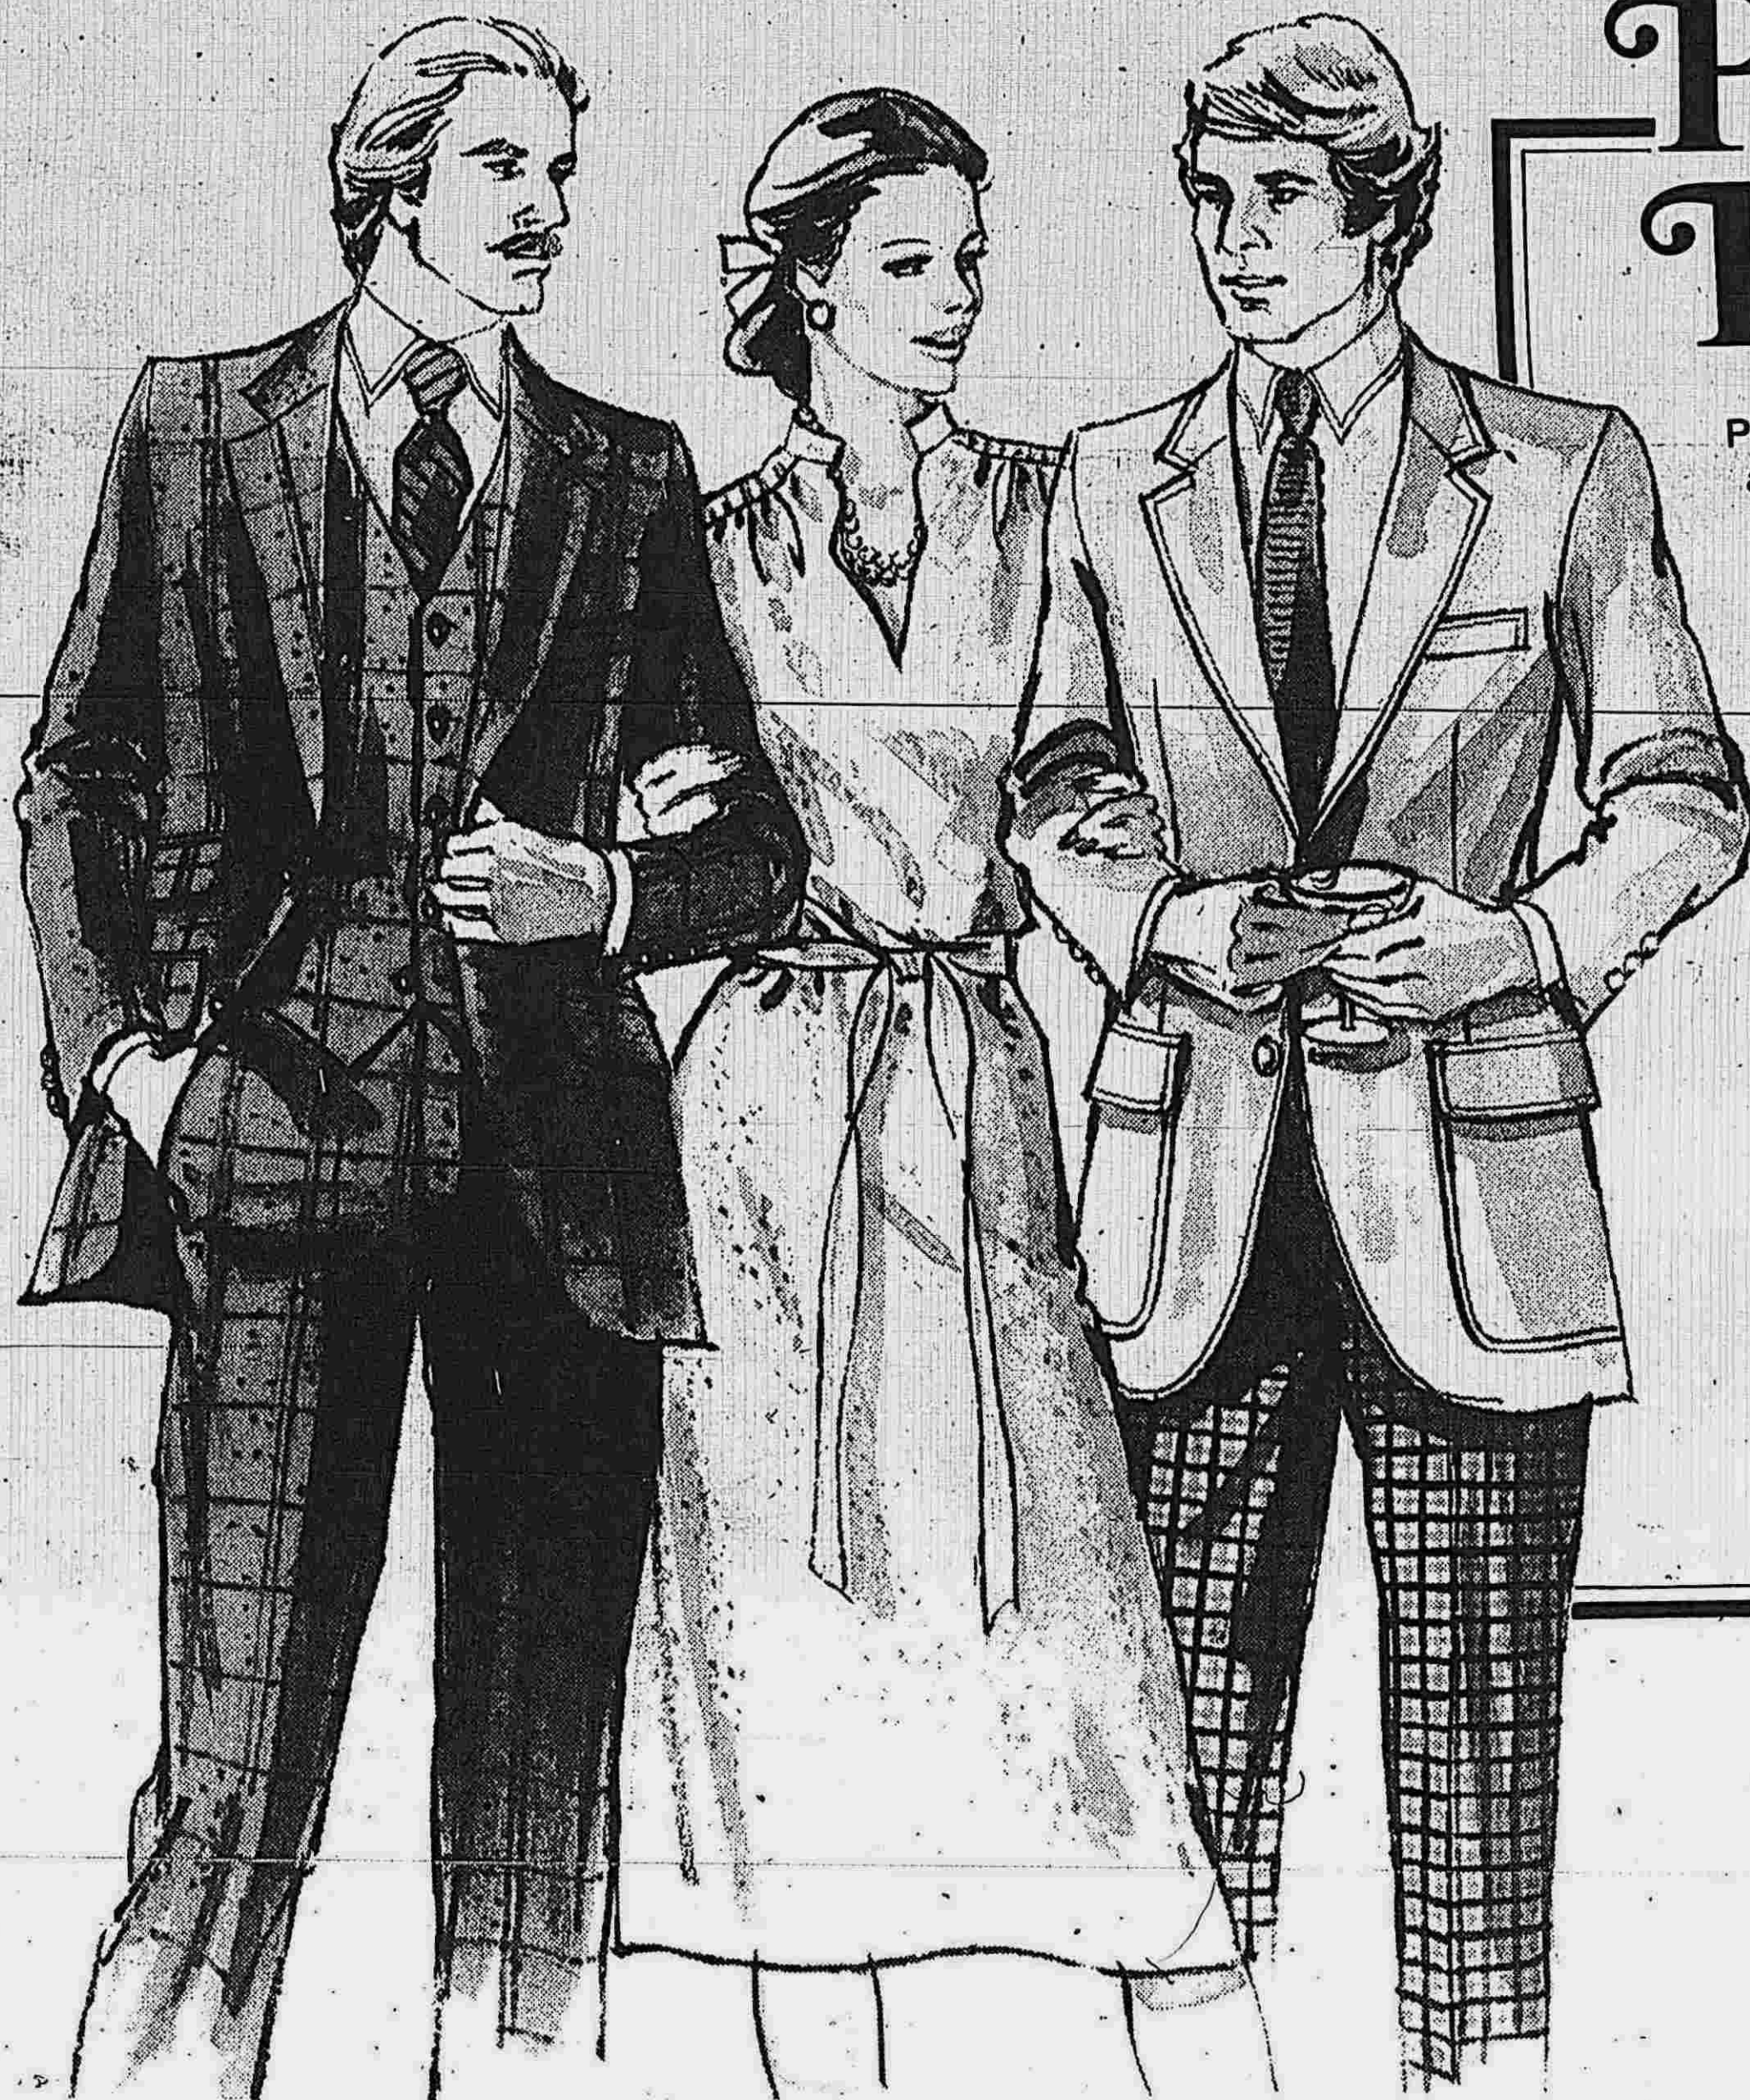

His tenure has spanned a period of almost three decades and, according to Babcox, "During the length

of time I have had the opportunity to serve the people of Lake County, I have seen changes occurring in Lake County government, including many that I have initiated since my return to office in 1976."

Babcox was referring to the modernization of the Coroner's Office which he pledged during his campaign of 1976. The present Coroner is eager to discuss the policies, procedures and personnel that have improved the Lake County Coroner's system during the last three years.

Sequoits work together to win tourney opener

by JANE POLZIN

In "what is probably one of the biggest wins in Antioch football history," the Sequoits beat Rockford-Boylan in Antioch's first state tournament game 14-7.

"It was a heck of a start in the team's first experience in its first season tournament," said Antioch Coach Steve Wapon.

The Sequoits "played well under pressure," Wapon said. The game was played in Rockford before a "huge crowd."

BOTH TEAMS "basically had to win every game" to stay in the competition.

Antioch scored its points in the first quarter, with a 30 yard run by Denis Flaschner, followed by an extra point kicked by Dan Behne.

A 19 yard pass from Jim Sertic to Tim Plett, followed by another point after touch-down kick by Behne completed Antioch's scoring.

In the third quarter, Boylan scored seven points on an intercepted pass, running it back 32 yards.

Antioch's Mark Pomazak was the leading ground gainer, rushing 26 times for 105 yards.

FLASCHNER HAD 215 carries for 64 yards and Greg Stevens had nine for 28 yards.

Mark Williams, John Domkowski, Ken Niese, Scott Wolf and John Eckert "played a good game," blocking well, Wapon reported.

Antioch had nine first downs by rushing and Rock-

ford had four. Total first downs were Antioch 10, Rockford 11.

Defensively, it was "a whale of a ballgame," according to Wapon, noting it was "exceptionally sharp."

JOHN JACKSON had two interceptions, the first of which set up the game's first touchdown.

Credited for the "team effort" were Jeff Andre, Steve Jennrich, Chuck Bogaerts and Jim Mancuso.

The Sequoits "are peaking at the right time of the year," Wapon said. "It's a pleasure to watch the team's amount of improvement," he added.

"A lot of credit has to go to the coaching staff," he said, recognizing Coaches Ted DeRousse and Rich Brown.

THE TEAM'S SCOUTS, Del Pechauer and Mike Gordy, "have not seen an Antioch High School football game this year," Wapon said.

The scouts have been looking at other teams to prepare the Sequoits for upcoming games, he added.

"They've provided extremely accurate information."

"The amount of support from the entire community" has been of great help to the team, Wapon said.

"Mayor Haley and the village, the school administration, faculty and a totally excited student body" gave the team "a phenomenal lead out of town to the (Rockford) ballgame," he added.

Eight student buses went

to the game, tying the record for the number of school buses to go to an away game, Wapon said.

Antioch Vikings to play at Youth Super Bowl

Eighteen teams from the Chicago and Suburban Illinois area, including Antioch Vikings, have been selected

to play in the Youth Super Bowl Classic beginning at 8:30 a.m. Saturday, Nov. 17 and Sunday, Nov. 18, at Harper College in Palatine. Games will be played against teams with similar weight and age.

The Super Bowl is being sponsored by the Wilson Sporting Goods Company.

Among those teams selected to play are the Zion Stingers from the far northern area of Illinois; the Wheaton Tigers of the Bill George League; the Buffalo Grove Bills of the Tri County JFL; the Chicago Suburban League, Hoffman Estates; the Lake Zurich Flames of the Tri County; the Antioch Vikings of the Northern Illinois Junior Football

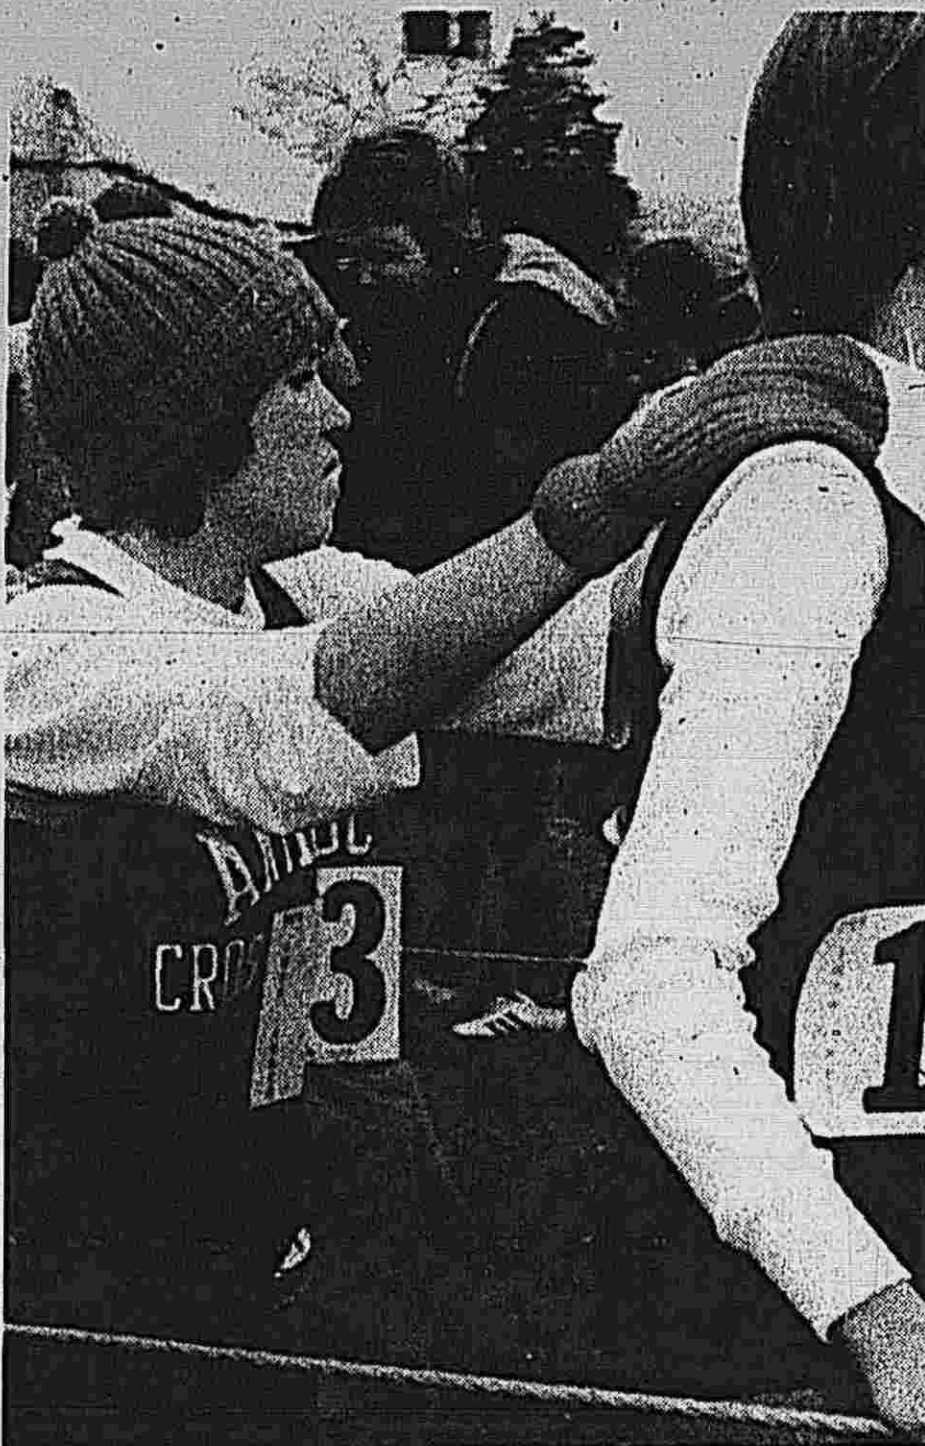

League; representatives from the Catholic Parrish League and the Suburban Widget League.

Others invited to play were Northbrook of the Northern Illinois JFL and the North Chicago Flames. The Barrington Rams will also play.

The Youth Super Bowl is being co-hosted by the Flames of Lake Zurich and the Bills of Buffalo Grove. Of the 18 teams playing, 11 will be league champions; four second place finishers and three runners-up.

Admission to all games is 50 cents. Team trophies will be awarded to each participant.

Harper College is located at the corner of Algonquin and Roselle Rd. in Palatine.

YOU CAN DO IT, SEQUOITS!

Team jogs, then leaps along trail to history

by JANE POLZIN

Antioch's Varsity Sequoits football team has come into its own, rounding out its slow-starting season by winning its second state tournament game.

The Sequoits, on the road to semi-final playoffs against Wheaton-North at 1:30 p.m. Nov. 17 at Wheaton, beat Algonquin Jacobs, 35-12.

"We did what we wanted to do — controlled the ball rushing-wise," said Sequoit Coach Steve Wapon. The Sequoits rushed for a total of 291 yards. Jacobs rushed for 151, 85 of which were in the last few minutes of the game.

DEFENSIVELY, THE Sequoits put out "a good team effort," Wapon said. "We were very successful in controlling (Mark) Hudson," a leader on the Jacobs team, he added.

"As in the past, the defense was very, very hard-hitting," the coach said. The team is made up of "an exciting group of guys who enjoy hitting people on defense."

"Mistakes were down to practically zero," he said of the Northwest Suburban Conference co-champion team. The Sequoits share the honor with Warren Township High School, but represent the conference in the playoffs because Antioch won a game between the two teams.

Neither Antioch nor Jacobs scored in the first quarter of the game on Antioch's home field before an exuberant crowd of 2,360.

ANTIOCH'S DENIS Flaschner made a 27 yard run, followed by an extra point kicked by Dan Behne.

Jim Sertic ran a one yard touchdown, with the point after touchdown kick again by Behne, making Antioch's score 14.

Also in the second quarter, Jacobs' Dick Grau had a four yard touchdown run followed by a failing pass.

In the third quarter, Flaschner made another one yard run followed by Behne's extra point kick.

A 26 yard run by Steve Jenrich and a three yard touchdown by Flaschner, both

followed by Behne's extra point kicks, secured the win for Sequoits, despite a come-from-behind 85 yard touchdown run by Jacobs' Jeff Scime.

MARK POMAZAK led the Sequoits in the team's rushing game, with 28 carries for 116 yards, followed by Flaschner with 23 for 113 and Greg Stevens' six for 32.

Flaschner's total carries for the season, according to tallies after the Antioch-Jacobs game, was 199 for 1,112 yards, with 20 touchdowns.

Antioch had 65 rushing plays for 19 first downs, compared with the Eagle's 34 rushing plays for 12 first downs.

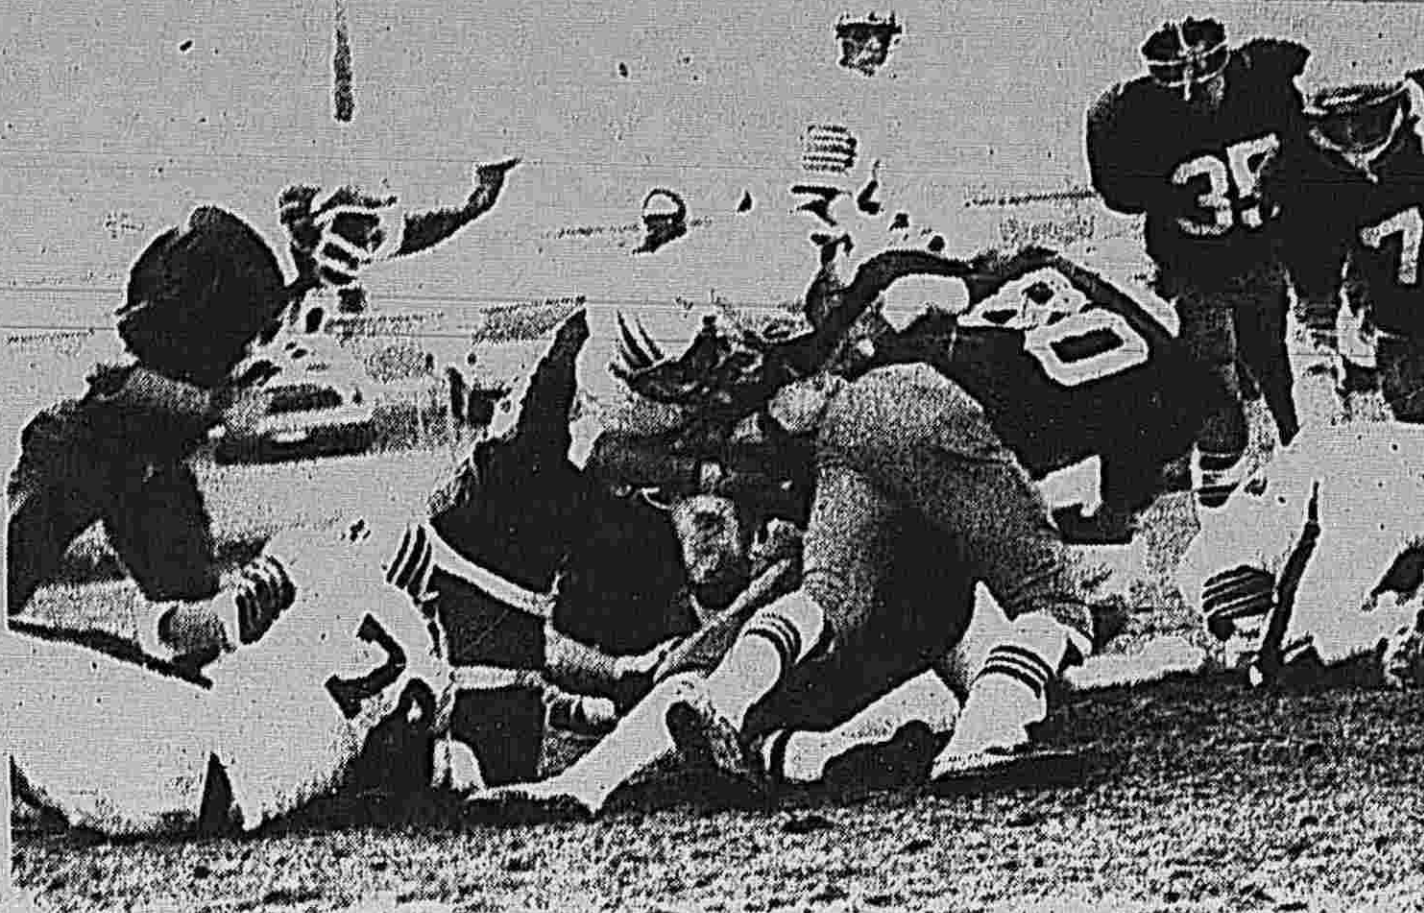

The Sequoit defense "was

able to control, for the better part of the game," outstanding Jacobs athletes, Wapon reported.

ONCE AGAIN, he credited the defense for its "good team effort." The team had only one penalty for five yards in the entire game, he noted.

Jacobs is known as "a big play team" which uses a variety of options and the Sequoits were ready, he said. "We hoped to keep the big plays to a minimum and tried to control the big athletes."

A very big help in the win was excellent spotting by members of the sophomore coaching staff Tom Baba and Steve Scott, who looked for weaknesses in Jacobs' offense and defense.

TOUGH GAIN—Mark Pomazak, 42, Antioch High School running back, is surrounded by Rockford Boylan defenders during state class 4A football opening round action Nov. 7. Sequoits defeated Boylan 14-7 and also defeated Jacobs 35-12 Nov. 10 to advance to semi-finals at 1:30 p.m. Saturday, Nov. 17, at Wheaton North.—Photo by Dave Becker.

Girls' Cross Country Team closes season at state meet

Antioch's girls' cross-country team finished its season this past Saturday in the state meet in Peoria.

This was the first state girls' cross-country meet.

There were 25 teams competing and 66 individuals, for a total of 226 runners.

Antioch finished the meet in 18th place.

The first Antioch runner to

cross the finish line was sophomore Gail Plechaty in 92nd place. Plechaty ran the 2.1 mile course in 13:01.

Senior Carrie Corso ran the last cross country race of her very fine high school career, placing 101st, with a time of 13:04.

Diane Otten, also a senior running her last high school race, finished in 145th place.

Freshman Dawn Wucki was next to finish in 162nd place, Senior Mary Mattson, competing in her first season, finished in 201st place.

Freshman Patti Friedmann and junior Nancy Harland ran to a 201st and 205th place finish.

The girls had a very successful season finishing with a 12-0 dual meet, tied for first in conference, Lake County champion, Warren Invitational champion, runner-up at Mundelein Invitational and Crystal Lake Invitational and second place in the district meet.

Even though the team is losing three very good seniors, in Carrie Corso, Diane Otten and Mary Mattson, next year can be just as good as this past year, a spokesman said.

All-Star game reset

Due to the fact that the Antioch High School Sequoia won their game at Rockford, the Featherweight All-Star game had to be postponed.

It will be played at 10 a.m. on Saturday, Nov. 17 at the Antioch High School field.

The game will feature the best of the American League, which consists of boys from the Raiders, Buccaneers, and Eagles teams against the National League, which consists of boys from the Seahawks, Warriors, and Falcons teams.

The head coach of the American League is Ted Cigrang with assistant coaches Kermit Radke and Andy Proctor.

The head coach of the National League is Don Rodgers with assistant coaches Dennis Volling and Mike Brady.

The half-time entertainment will be the cheerleading competition.

Viking lights, heavies win

The Antioch Viking heavyweight team, north division champions, hosted the championship games for the number one team in the Junior Football League of Northern Illinois. It's opponent was Waukegan, the south division champions. Both teams came out and played good hard hitting football.

With 7:37 left in the first quarter, Ed Silva scored the first touchdown and Andy Lehn kicked for the extra points, score 8-0 Antioch. With 4:03 left in the half, Andy Lehn scored the second touchdown, the point after failed, score 14-0 Antioch.

A fumble recovery by Bob Walden stopped a Waukegan threat.

The second half was a true

defensive struggle with hard hitting and heads up football. The final score Antioch 14, Waukegan 0 and a league championship for the Antioch Viking heavyweight team.

Chosen 1979 Antioch Viking heavyweight All-Stars were Andy Lehn and Ed Silva.

Both Antioch Viking lightweight and heavyweight teams will be playing their final game of the season Nov. 18.

They have accepted an invitation to appear in the 1979 Youth Super Bowl to be held at Harper College in Palatine.

The Wilson Sporting Goods Co. is the sponsor. The lightweights will play at 12:15 p.m. and the heavyweights at 2:15 p.m. against the Buffalo Grove Bills. Admission is 50 cents per person.

It was another successful weekend for Antioch football. The Junior Football League of Northern Illinois Championship games were held Sunday at the Antioch High School field.

The Antioch Viking Lightweight team faced the Winnetka Lightweights in a very well-played game.

Antioch scored their first touchdown when Ed Antkowiak intercepted a Winnetka pass and ran 42 yards for the score.

Steve Lichter scored the extra point. With 55 seconds left in the first half, Dean Elrod recovered a fumble on the 24 yard line. On the next play, Dean Elrod threw a pass to Bill Kaht, who scored the touchdown, point after failed.

Fourth quarter action saw Brad Poulter intercept a Winnetka pass with 3:19 left in the game. Gene Elrod had a 46 yard run down to the four yard line.

On the next play, he carried for the touchdown, point after was no good. Final score 19-0 Antioch.

Thadd Ernstmeier and John Geier each had a fumble recovery and played a super defensive game. A total team effort and a winning desire have made the Antioch Viking Lightweight team the Champions of the Junior Football League of Northern Illinois. Jeff Johnson and Steve Lichter were chosen the 1979 All-Stars of the Antioch Lightweights team.

INSURANCE INFORMATION

I am going to open a small retail business. Is there a way for me to determine liability insurance requirements?

Any business has a certain degree of liability exposure. The type of liability insurance required is determined by the type of business. In a retail business the primary hazard is the premises, itself. The exposure can be covered by an Owner's Landlords and Tenant's Liability Policy. Most premiums for O-L-B-T's are based on area (square footage). In addition, a retail type of business might be interested in a Products Liability Policy. This insures against faulty merchandise. One policy can be written to include both O-L-B-T and Product Coverage... a Comprehensive General Liability Policy. Be sure to talk with your insurance agent to insure proper business coverage.
